

TOURNAMENT DIRECTOR PARTNERSHIP PROGRAM OPPORTUNITIES

2 0 2 4

OUR MISSION

The Paul McBeth Foundation will develop and introduce sustainable disc golf experiences in underserved locations with limited or no access to the sport.

The Tournament Director Partnership Program is our way of getting local and regional tournament directors involved in the mission and work of the Paul McBeth Foundation. With the help of our TD partners, we completed 5 projects in 2023 and installed 7 new courses as a result. Join us as we continue to bring disc golf experiences to people across the globe.
