

# TOURNAMENT DIRECTOR PARTNERSHIP OPPORTUNITIES

2 0 2 3

## OUR MISSION

The Paul McBeth Foundation will develop and introduce sustainable disc golf experiences in underserved locations with limited or no access to the sport.

Our goal is to provide more courses, more access, and more opportunity for people in disc golf, and we can't do that alone! Our TD partners played a vital role in helping us install 7 new courses including 3 in Africa! We would love for you to join us in 2023 as we look to share disc golf with the world!
